

THE NATIONAL TRUST

Blackmore Vale & Yeovil Association

New members are most welcome, the annual fee is £5 single or £8 double at the same address. Members are kept in touch with events by means of a Newsletter published in February and August.

The winter lectures are held in the Digby Hall at Sherborne on a Saturday starting at 2.30 pm and finishing with tea and biscuits. The talks cover a wide range of heritage and contemporary topics, including National Trust subjects. The cost is £3 to members of the Association.

Day visits are by coach in the summer to places of interest to members. Pick-up points are along the A30 from Shaftesbury to Yeovil. The costs vary depending on the distance and venue but every effort is made to keep charges at a reasonable level.
