

THE NATIONAL TRUST

## Exeter and District Centre

In the winter months we hold a monthly series of interesting talks at Exeter School on Saturday afternoons. A nominal charge is made to help cover cost of speaker, hire of music room and includes tea and biscuits.

From April to October, we also hold monthly coffee mornings in members' gardens, a spring and annual (autumn) luncheon and monthly coach outings to National Trust properties, gardens or other places of interest. We also organise an annual 10 day overseas summer holiday and a 6 day autumn UK holiday.

Theatre visits are also arranged but our major event is the Concert held in Exeter Cathedral in December in conjunction with Exeter School.

As a National Trust member, you are entitled and most welcome to join us. We hope to make you feel part of a very friendly like-minded group of people in your area. We have an annual subscription of £5.00 single member and £7.00 family members (two people at same address) to cover administration costs. We publish a quarterly Newsletter, which is distributed with the "Oakleaves" magazine covering all the groups in Devon.

We would be delighted for you to join our group. Just telephone our membership Secretary, Mrs Betty Clarke on 01626 890 740 or email her on [bic@19westwood.freeserve.co.uk](mailto:bic@19westwood.freeserve.co.uk)

Alternatively you are welcome to come along to one of our talks and make yourself known to a committee member at the door. We look forward to welcoming you.

Here is our programme of forthcoming events – we hope it will encourage you to join us.
