There is a walk on the first Friday of each month. These are 4 to 5 miles in length and are based on a pub where we return for a very sociable lunch.

A lecture programme is held during the winter, from October to March, meeting monthly at Kirby Misperton on the second Saturday of the month. The October lecture is preceded by the AGM. Lectures start at 2.30pm and cost £2.50, payable at the door. They are followed by tea and biscuits and a chance to socialise.

During the summer there are various day outings to houses, gardens and other places of interest and each year a very popular holiday is organised.

Other events have included a wine and cheese evening, a cookery demonstration, and an antiques evening. An annual lunch is also a popular event

Donations have been made to both local projects such as the School House at Bransdale, Nunnington and Holy Jesus Hospital as well as to national projects such as Seaton Delaval.

Here is our programme of forthcoming events – we hope it will encourage you to join us.
