

THE NATIONAL TRUST

## Southampton and District Centre

Southampton & District Centre was founded in 1972 and currently has over 300 members who live in Southampton and the surrounding areas, including Chandlers Ford, Romsey and the Waterside. All members of the National Trust and affiliated organisations and National Trust volunteers are welcome to apply for Centre membership.

Our objectives are to promote the National Trust locally, raise funds in its support and arrange a programme of events and activities to widen members' appreciation of its work and other aspects of our heritage. Among the National Trust properties we support are Mottisfont, Hinton Ampner and Winchester City Mill - also Enterprise Neptune, which continues to protect an increasing part of Britain's beautiful coastline.

To join, or to find out more, please contact our Secretary, Audrey Jackson, on 01794 514443.

Here is our programme of forthcoming events – we hope it will encourage you to join us.
