

West Devon Association

The West Devon Association warmly welcomes new members who must be members of the National Trust, affiliated organisations or holders of National Trust Volunteer cards.

The Annual Membership Fee is £5 (or £8 for two persons at the same address). The membership year runs from 1st January and members joining after 1st October have their subscriptions carried through to the following 31st December.

Members receive a quarterly Newsletter together with the "Devon Oakleaves" which embodies news and features covering all the Associations in Devon. We provide a varied programme of talks and outings.

Our winter speaker meetings usually take place at Bridestowe Village Hall (just south of Okehampton) which is fairly central to our territory.
