

A photograph of two young people, a girl with long blonde hair on the left and a boy on the right, both wearing dark jackets, leaning over a large pile of dark soil. They appear to be engaged in an outdoor activity, possibly a field study or a gardening project. The boy is holding a small object in his hands, and the girl is looking down at the soil. The background is slightly blurred, showing what looks like a wooden fence or structure. The lighting is bright, suggesting it's daytime.
