

National Trust

May half-term adventures at Attingham Park

Get out and about exploring nature and Attingham this May half-term! Get ready for the camping season and get some top tips from the experts at Cotswold Outdoor and their Camping Weekend. The Cotswold experts will also be on hand to help you have a go at geocaching and orienteering that weekend! Woodland Tots, a new pre-school age activity for 3-4 year olds and 'Wild Times: Back to nature', perfect for getting your 5-11 year olds exploring the outdoors, are both led by our friends at the Wildlife Survival School and pre-booking is essential at wildlivesurvivalschool.nutickets.com You can also pre-book tickets for our popular Deer Park Safari in advance for the first time, online through our website www.nationaltrust.org.uk/attinghampark Event details correct at time of print, check our website for the most up to date information.

Saturday 27 May	Sunday 28 May	Monday 29 May	Tuesday 30 May	Wednesday 31 May	Thursday 1 June	Friday 2 June	Saturday 3 June	Sunday 4 June
--------------------	------------------	------------------	-------------------	---------------------	--------------------	------------------	--------------------	------------------

Explore the grounds with a Spring Trail. What can you spot coming into flower and to life around the grounds and inside the Mansion this Spring? Pick up your free spotters trail from Visitor Reception when you arrive!

Entrance to Attingham Park is free for National Trust members and under 5s, standard admission charges apply for non-members. Additional charges apply for some events.

B Booking essential where you see this sign.
Geocaching: Please note we have a limited number of geocaching devices, hired out on a first come, first served basis for a set time period.

50 THINGS TO DO BEFORE YOU'RE 11³/₄

You can tick off lots of your 50 Things at Attingham- this map shows you our top 5 suggestions for you to have a go at on your visit, and our favourite places to do them!

You'll find a bird hide to help you with number 44 and an old fallen tree to help you with number 22 and 31 on this path through the woodland.

The woods around the top of the Deer Park are a great place for den building.

No. 22: Explore inside a tree

No. 31: Hunt for bugs

No. 44: Go bird watching

No. 4: Build a den

No. 19: Play pooh sticks

Have a game of Poohsticks at the Deer Park or Suspension bridge.

Finished your 50 Things?

If you've ticked off all your 50 Things to do already we've got 3 extra ideas for you to have a go at, at Attingham!

Go cloud-spotting

Stop off somewhere like the bee lawn, pick a spot, sit or lie down, look up: what shapes or images can you see in the sky? Can you see a fluffy sheep, a smiley face or a funny shape?

Explore with a stick

Play, discover and explore with a stick! What will it be, what games can you play? Is it a magic wand? Or could it be a souvenir of your visit—a journey stick? Collect pine cones, leaves, while you're here and take it home to decorate to remember your visit!

Deer Park Safari

By foot or by tractor and trailer! Stride out into the Deer Park, follow the Deer Park or World War II walking routes to explore the Deer Park and see if you can spot the deer. Remember: stick to the paths, and if you see the herd sssshhhh! loud noises may scare them off.

You can also go on a Deer Park Safari by tractor and trailer on Tuesday 30 May—turn over the page for event information. We'll also be holding more Deer Park Safaris in the summer holidays!

Grown ups: We'd love to see your photos of your 50 Things family adventures!
