Approach

- The Hardwick Hall estate is well signed from the main approach roads. The cottage is approached on a tarmac road and firm surfaced route through the Hardwick Hall estate.
- The parking area is through the stone archway to the right immediately outside the cottage.

Arrival & Parking Facilities

- The parking area is in the stable courtyard directly in front of the cottage. There is parking for three cars here (for this cottage).
- The cottage is the first building to the right as facing with back to the car park area
- It is signed with both the Number 6 and the name “High Hazels”.
- The surface of the parking area is reasonably firm but may be slightly less so in wet weather conditions.
- The keysafe is in the lobby area behind the door between Numbers 7 & 8 (to the left of High Hazels). See photo above.
The door to this lobby area is 910mm wide and there is a level space 700mm wide in this area in front of the keysafe.

The keysafe is at 1300mm from floor level.

The main (and only) entrance door to the cottage is on the opposite side of the cottage to the parking area. This can be accessed through the door from the parking area or via a side gate, which is back through the archway.

The more accessible route is via the side gate. The route from the door off the parking area has steps and a narrow path.

Approach to cottage door through doorway off parking area
The entrance door is to the right hand side of the 3rd photo (above)

- The stepped approach to the cottage is through the doorway off the parking area.
- The door is 890mm wide.
- There are two steps down here - 200mm and 180mm high – onto the flagstone floor.
- There are two steps up out into the garden from here. One is 80mm high and the other slightly lower than this. The second doorway out to the garden is 680mm wide.
- The path from this doorway is level and firm and 380mm wide.
- This joins the larger path (1200mm wide) which leads to the front door.
Approach to cottage via side gate back through archway
This is a level access route apart from the low step at the entrance door. Visitors can be dropped off at the side gate but the gate needs to be unlocked from the garden side.

- The level approach to the cottage is via the side gate which is just back through the archway and to the left.
- The side gate has to be unlocked from the inside.
- The route to the side gate is reasonably level and firm
- The gate is 1030mm wide with level access.
- The latch is at 1340mm
- The path in the garden is 1200mm wide and is level to the front door.

Getting in (and out) of the cottage

- The front door is 900mm wide
- There is a stone step here that is 120mm high
- The door leads straight into the entrance hall with doors off to the kitchen, sitting room, dining room and shower room and stairs to the upper floors.

Future Plans to improve Access to NT Holiday Cottages
We are currently in the process of writing access statements for all our holiday cottages and improving access over time for all our guests. All feedback is very helpful in informing us of ways in which we can improve access to all our cottages. We welcome any comments or ideas from you about access at this cottage and thank you for taking the time to do this. Please do this in the most convenient way for you. See contact details below or information on website.

About the Access Statement
This Access Statement is intended to provide key information about the cottage that may be particularly relevant to guests with disabilities. It is reviewed annually. Please contact us prior to booking if you would like more detailed information and we will be happy to oblige.
