HELP WANTED

The Association depends for its success in arranging lecture and excursion programmes and in supporting the National Trust on a regular supply of volunteers to help with the work, to bring fresh ideas and to provide a regular rotation of committee members. The Trust regards the regular turnover of committee members as a sign of health in the Associations and, under the terms of the constitution, committee members are expected to stand down after serving for six consecutive years. The programme and general committees will be below strength after the AGM in May if replacements do not come forward. This appeal is directed particularly , but not exclusively, to the newly retired who may feel they have a contribution to make.

If you are able to help with any of the following, now or in the future, or if you would like further information, please tick below where appropriate.
