- The filming & locations office issue filming contracts, check insurance and set fees. They will issue you with a filming application form and liaise with on-site staff regarding the feasibility of what you want to do. The application form is not a permit to film, permission is granted if the property can accommodate you and a filming contract is issued by this office and signed by both parties.
- This office does not deal with: student photo shoots and filming, wedding photos, news crews or radio. Please direct queries to 01304 207326 or whitecliffs@nationaltrust.org.uk
- All crews must hold £5m worth of public liability insurance (or the equivalent in their currency.) No crew of any size can film at a National Trust site without this.
- We welcome reccie visits and are happy to meet you to discuss your filming needs – please call the filming and location team to arrange a visit.
- Great shots of the cliff are easily accessible with a 2 minute walk from our car park.
- There is limited access to the cliff-top for vehicles – however access for vehicles can be arranged to selected locations if arranged in advance with the filming office.
- There is no access to the beach below the cliffs from our land.
- The lighthouse is not usually open everyday of the week, so private access can be arranged if required.
- The White Cliffs are an area of outstanding natural beauty and a site of special scientific interest and are in our care for the benefit of the nation. We are required to take reasonable steps to prevent damage to the landscape and the wildlife that lives here, this means that sometimes we will not be able to accommodate all requests for filming access and may involve us accompanying you on your visit, this may incur an additional charge. Please call us to discuss your needs.
